Celebrating 35 Years of Impact

Ascension Saint Thomas
Foundation

Seton Gala

About the Seton Gala

For 35 years, the Seton Gala has been a cherished annual tradition hosted by the Ascension Saint Thomas Foundation to honor extraordinary individuals whose leadership and service strengthen our healthcare system and community. Established as a celebration of people, the event was created to recognize outstanding community leaders, dedicated healthcare professionals, generous donors, selfless volunteers, and committed board members who embody the mission and values of Ascension Saint Thomas.

The Seton Gala has honored 165 individuals and organizations, each representing a legacy of compassion, service, and leadership. These honorees reflect the very best of our community and have helped shape a culture of care that continues to inspire impact across Middle Tennessee.

While recognition remains at the heart of the event, the Seton Gala has also grown into a powerful platform that advances the mission of Ascension Saint Thomas. Today, it celebrates excellence while serving as a meaningful catalyst for philanthropic investment that supports healing, access, and innovation throughout our health system.

35 Years of Impact

The Seton Gala has generated more than \$5 million in philanthropic investment, positively impacting patients, families, caregivers, and communities across Middle Tennessee. Through the generosity of sponsors and partners, the gala has helped remove financial barriers to care, expand access to critical services, strengthen facilities and innovation, and support the caregivers who bring compassionate care to life every day.

This milestone anniversary honors a legacy shaped by extraordinary honorees and dedicated partners, while inviting continued investment in a future where compassionate, high-quality care is accessible to all.

About the Ascension Saint Thomas Foundation

The Ascension Saint Thomas Foundation serves as the philanthropic heart of Ascension Saint Thomas, ensuring that care extends beyond hospital walls and reaches those most in need. The 2026 Seton Gala will directly support Foundation's mission, allowing philanthropic investment to strengthen care broadly and strategically across Ascension Saint Thomas.

Pillars of the Foundation

Through the generosity of our community, the Ascension Saint Thomas Foundation advances the healing mission of our ministry providing outstanding care for all, uplifting those who serve and advancing compassionate, innovative healthcare in Middle Tennessee.

Compassion for Patients in Need

Patient Care and Support

The Foundation provides critical support to patients facing personal hardship, ensuring they receive resources needed to heal with dignity. By extending compassion, we help patients navigate their recovery, remove barriers to health outcomes and uphold our commitment to care for all, especially those most in need.

Supporting Those Who Care for Others

Caregiver Support and Workforce Development

Our caregivers are at the heart of our mission. The Foundation invests in their well-being, education, and professional growth. By strengthening those who serve, we reinforce our teams and support the health of the communities who depend on them.

Commitment to Advancing Exceptional Care

Strategic Programs, Innovation and Capital Investment

The Foundation invests in strategic programs, advanced technology, and modern facilities that elevate the quality of care across our health ministry. Through purposeful growth, we ensure our communities have access to innovative treatments, state-of-the-art environments, and the highest standards of clinical excellence.

Together, these priorities create a powerful framework for impact, inviting partners to invest in healthier communities, stronger care teams, and an innovative future for healthcare.
