About the Good Health Classic

The Good Health Classic golf tournament provides funding for mission-critical initiatives that improve access to care and community health. Funds from the Good Health Classic make a difference in the lives of families across Middle Tennessee.

As the premier charity golf event in Middle Tennessee, the Good Health Classic offers several sponsorship levels with an opportunity to play at Nashville's treasured Golf Club of Tennessee. Considered one of the top three courses in the state, The Golf Club of Tennessee has hosted numerous local, state and national amateur and pro-am events. Approximately 30 teams will compete in the Good Health Classic. Tournament participants receive VIP treatment with several opportunities to win incredible prizes.

The Good Health Classic is an essential part of Ascension Saint Thomas's community philanthropy, and your support of this event is a vital part of helping patients in need throughout Middle Tennessee.
